

Textbook Checkout

In order to provide high school students who are on fee waivers access to textbooks beyond class time, TATC has purchased some extra copies that may be checked out. Students checking out books must sign this document verifying that they understand this is a loan and that they will return the book in good condition. *Students who do not return the book(s) will be denied any or all of the following until either the book(s) have been returned or paid for: Attendance reports, Grade reports, and Certifications/degree.*
